COMFORT FOR LIFE

"I'm a Daikin Comfort Pro"

Those five simple words can offer you comfort like you've never experienced. The words mean that the dealer you invited into your home is a highly-qualified and continuously-trained professional who will quickly, efficiently and effectively help to solve any of your indoor comfort needs.

All Daikin Comfort Pro dealers seek to achieve the highest levels of customer service, business integrity, and technical competency. These range from maintaining an excellent rating with their local Better Business Bureau (BBB) to taking continuing education classes on how best to install and service Daikin brand products. To retain this status, Daikin Comfort Pros must deliver their best abilities to each and every customer, year after year.

A commitment to your comfort

Daikin Comfort Pros believe that a well-informed homeowner is the best possible customer. All Comfort Pros will take the time to help understand your unique comfort needs, assess the performance of your current indoor comfort system, and thoroughly discuss all options with you.

A commitment to provide you the right service and products

Daikin Comfort Pros have access to one of the most complete lines of indoor comfort products and systems available. As the #1 manufacturer of indoor comfort systems and refrigerants in the world, Daikin offers you a full line of comfort solutions that ensures that a Daikin Comfort Pro can provide the perfect solution to your home.

A commitment to serve you over the long term

Daikin Comfort Pros want to earn your business. They want to be your long-term provider for all your indoor comfort needs. To help deliver on this commitment, you can take peace of mind with the limited warranty* coverage offered on your Daikin brand indoor comfort product or system. The Daikin Comfort Pro has access to one of the best limited warranty* programs in the indoor comfort industry.

*Complete warranty details available from your local dealer or at www.daikincomfort.com. To receive the 10-Year Parts Limited Warranty, online registration must be completed within 60 days of installation. Online registration not required in California or Quebec.

EVAPORATOR COILS

Comfort for life

Daikin is a global leader for indoor comfort, with millions of systems installed throughout the world.

Daikin has been improving the comfort of its customers with exceptional products and services for many generations.

To explore all of our solutions for premium indoor comfort for life, visit www.daikincomfort.com.

Elevate your expectations and get more out of your home's indoor comfort system performance

As you think about the functionality of your home's indoor comfort system, the Daikin brand is ready to help you achieve control, energy efficiency and long-term peace of mind. Take that attention to quality one step farther by choosing a Daikin brand energy-efficient evaporator coil. We have designed and engineered all of our products to provide years of consistent indoor comfort – delivering you and your family premium comfort for life.

Bold performance

A Daikin brand evaporator coil can help ensure your cooling system provides reliable, efficient comfort with good performance. Available in sizes to match your new or existing system from 1.5 to 5 tons, evaporator coils are compatible with chlorine-free R-410A refrigerant. Every unit is helium pressure-tested during construction to ensure against leaks. For replacement or new construction, a Daikin brand evaporator coil will provide efficient comfort to your family for years.

Efficient and dependable evaporator coil for worry-free comfort

Daikin brand evaporator coils for home comfort systems provide an efficient, quality cooling solution. An important piece of an efficient, quality Daikin brand home comfort solution is the evaporator coil. The coils are all-aluminum, built with thick-walled, grooved tubing for durability and efficient cooling performance. All coils are compatible with chlorine-free R-410A refrigerant, and include rust-resistant thermoplastic drain pans. All Daikin coils are thoroughly tested in our manufacturing plants for dependability.

You can count on a Daikin brand evaporator coil to deliver *Comfort for Life* to your family for years and years.

The Daikin Comfort Promise

Ultimately, the commitment to provide you with Comfort for Life is represented and reinforced in the Daikin Comfort Promise.

If, for any reason, the Daikin Comfort Professional has not met your expectations within one year of your equipment or system installation, please contact the installing Daikin Comfort Pro and ask them to honor the Daikin Comfort Promise. The

Daikin Comfort Pro will return to your house to resolve any issues that you have with your installation at no cost to you.

As part of formally maintaining the Daikin Comfort Pro distinction, the Daikin Comfort Pro will make all reasonable efforts to resolve any concerns you have within one year of your equipment installation. If a Daikin Comfort Professional does not meet your expectations, they risk losing the ability to sell Daikin products.

With the Daikin Comfort Promise, you can have peace of mind that your Daikin Comfort Professional will continue to earn your business well after the sale. If not, they cannot be a Daikin Certified Professional. Period.

COMFORT-ENHANCING FEATURES:

- 1 All-aluminum coils – enhanced durability in a single metal solution. Special grooved tubing provides efficient cooling and durability for long-lasting comfort.
- 2 Factory-mounted thermal expansion valve (TXV) – simplifies installation and controls refrigerant flow for efficient cooling. (Model CAPT).
- 3 High-temperature thermoplastic drain pan – handles condensate for years without rusting.
- 4 Insulated metal casing protects the coil from damage and provides for easy installation to the air handler.

DAIKIN: THE PREMIUM BRAND INDUSTRY LEADER

Daikin Industries, Ltd. (DIL) is a Fortune 1,000 company with more than 49,000 employees worldwide, making it the number one residential and commercial HVAC manufacturer in the world. Daikin is primarily engaged in developing heating, ventilation, air conditioning and refrigeration products. Its success comes from its focus on innovative, premium quality indoor climate and comfort management solutions.

Houston-based Daikin North America LLC and its U.S. affiliates assemble these products at their high-quality and ISO-certified plants. You can rest assured that your purchase supports local jobs and Daikin's commitment to operating with "American Pride". For more information, including learning about our commitment to support the communities in which we operate, please visit daikincomfort.com.

Improving your home's complete indoor comfort system should not be an afterthought.

Whether it's time to replace a component in an existing central HVAC system, or to install a totally new system, Daikin brand products can provide dependable comfort and efficiency for your family – for every season – comfort for life.

Clean Comfort™ indoor air essentials

Indoor comfort in your home is about more than just adjusting the temperature on the thermostat. In fact, a central heating and cooling system offers just the basics with regard to enhanced comfort for you and your family. Indoor air quality products and systems quite frequently are treated as accessories. We define them as indoor air essentials:

- Filtration
- Purification
- Ventilation
- Humidity Control
